They Get Their Man!

© 1975, WESTERN PUBLISHING COMPANY, INC.

This is one of the most internationally famous symbols of law enforcement and justice — The Canadian Mounted Police.

Established in 1873 as the Royal Northwest Mounted Police, they enforced the law throughout rugged Northwest Canada.

As the only police force in the Northwest Territories and Yukon, the Mounties waged relentless war against smugglers.

The "beat" they patroled was vast — even so, the Mounties established the tradition of always "getting their man!"

The "Royal" is now gone from their name and most of the horses replaced by cars, but the Mounties remain a living legend!
